The partner for sample preparation and  
consumables for physical and  
elemental analysis

# Temperature Controllers

Non-programmables		
	110V	230V
	REG-RNP-1V-A	REG-RNP-2V-A
With extra display for <i>in situ</i> sensor (included)	REG-RNP-AFF-1V-C	REG-RNP-AFF-2V-C

Programmables		
	110V	230V
	REG-RP-1V-B	REG-RP-2V-B
With extra display for <i>in situ</i> sensor (included)	REG-RP-AFF-1V-D	REG-RP-AFF-2V-D

## Dimensions (mm)

Version 110V: 256x83x190

Version 230V: 205x63x159

## *in situ* Sensor

*In situ* sensor for RNP-AFF & RP-AFF controller Length 270mm
